Sub: Crediting the amount of GPF transferred from AG Hyderabad in respect of Shri A.N.Tiwari, Secretary (Personnel).

Shri A.N.Tiwari, Secretary (Personnel) took voluntary retirement on 26.12.2005 from Ministry of Personnel, P.G. & Pension, Department of Personnel & Training, New Delhi. His date of superannuation was 31.12.2005. Shri Tiwari was appointed as Information Commissioner with effect from 26.12.2005 (FN) vide notification No. 1/7/2005(IR) dated 26th December, 2005. The Terms & Condition of his service have been decided by the Chief Commissioner's office vide their office order No. 16.2.2005/T&C dated 25.8.2006 (copy enclosed). These provisions have been framed on the lines of Chief Election Commissioner and other Election Commissioners (Condition of Service) Act, 1991 and the Supreme Court Judges (Salaries and Condition of Service Act, 1958) and the Rules made there under, as amended from time to time.

As per the order dated 25.8.2006, the Chief Information Commissioner and Information Commissioners are entitled to subscribe to the General Provident Fund (Central Services) (As per Section 7 of the Chief Election Commissioner and other Election Commissioners (Condition of Service) Act, 1991 (Copy enclosed))

Accordingly, a new GPF number was allotted to Shri A.N.Tiwari, Information Commissioner. Now a cheque issued by AG, Hyderabad in favour of PAO/DPAR towards final payment of GPF has been received from the Chief Information Commissioner, for crediting the same to his newly opened GPF Accounts.

It has been telephonically ascertained from the O/o Election Commissioner that they are crediting the previous balances of GPF to the newly opened GPF Account in case of IAS Officers appointed as Election Commissioner.

This office is of the view that since the Terms & Conditions of the Chief Information Commissioner are similar to those of the Chief Election Commissioner we may also credit the previous GPF balance / Final payment of GPF received from AG, Hyderabad to the account of Shri A.N.Tiwari.

This may kindly be clarified/confirmed.

Dear Shri Tewari

During my tenure as Chief Secretary of Goa (and concurrently as Secretary of Home and Information Departments) in mid nineties, a major step towards transparency in government functioning was taken, when Goa became the second state of the country to enact a right to information legislation, which was drafted under my guidance. Even earlier, while I was posted as Development Commissioner of Goa (and concurrently as Secretary of Public Works and Irrigation Departments) in mid-eighties, I through executive orders, made files dealing with award of contracts accessible to public, who could inspect the files and ask for copies of documents and notings.

2. Now that the Right to Information Act, 2005 has been notified by Government of India, I would like to be associated with the Central Information Commission in an appropriate capacity to assist the Government in its endeavour to bring in transparency and accountability in the functioning of the Government

Dated New Delhi, the 5th May, 2008

I would like to draw your kind attention to the fact that number of cases pending in the Central Information Commission is increasing day by day and people are facing problems to get justice mainly due to the shortage of Information Commissioners in the CIC.

in the meantime, I am given to understand that 2 (two) of the existing 4 (four) members are retiring within a year, which will necessitate appointment of some more members within a very short period.

In this regard, I would like to introduce a young, energetic and highly intellectual Medical Doctor, namely Dr KRISHNA KABIR ANTHONY, who is also very active on Social front, whose Bio-data is attached herewith, for your kind consideration for the job. He would, in my opinion, be an excellent choice for one of the Central Information Commissioners.

Kindly refer to Director PMO ID No. 600/31/C/5/2008-ES.II, dated 21/23-05-2008 which was handed over to the undersigned by you on 5.6.2008 along with the letter of M.P.(Rajya Sabha), Shri Lathming Liana addressed to the Hon'ble Prime Minister enclosing the bio data of Dr. Krishna Kabir Anthony. The requisite information is at Annexure 'A'.

2. It may be worthwhile to examine the issue in the light of the letter written by the Chief Information Commissioner on 14th September, 2007 to the Hon'ble Minister of State, Shri Suresh Pachouri (copy enclosed at Annexure 'B').

3. Understandably, a copy of the letter was sent to the Chief Minister, NCT of Delhi and the Chief Information Commissioner also had discussion with the Hon'ble Lt. Governor, Delhi. The response received from the Principal Secretary of Government of NCT of Delhi is also being sent (Annexure 'C') for ease of decision-making.

4. It has been desired that it may be conveyed that the Chief Information Commissioner sometimes back have discussed the matter with the then Hon'ble Minister of State, Ministry of Personnel, Public Grievances, and Pensions, Shri Suresh Pachouri along with the other aspects the desirability of having the IC from among present Defence personnel, not below the rank of Lt. General to be considered for appointment as Central Information Commissioner. This one addition to the existing strength of Information Commissioners will presumably strengthen the Commission enough to take care of the enhanced workload for the time being. However, Chief Information Commissioner, Shri Wajahat Habibullah desires to discuss this point with MOS(Personnel) at the earliest. We are separately looking for a meeting in the matter.

With warm Regards.

Dated, September 14, 2007

The Central Information Commission constituted under the Right to Information Act, 2005 consists of Chief Information Commissioner and four Central Information Commissioners. Under the Act, the Central Government may increase the number of Central Information Commissioners upto ten, if deemed necessary.

2. The jurisdiction of the Central Information Commission extends to all Ministries, Departments and Undertakings of the Central Government as well as to all the Union Territories including the NCT of Delhi.

3. As we discussed in our last meeting in your office chambers on 11.9.07, with the increase in awareness about the right to information, and increasing use of it by the citizenry, the workload of the Commission has increased manifold. It might be mentioned that at least 20% of the total number of appeals/complaints under the Right to Information Act received by us relate to the GNCT Delhi.

4. One of the reasons for this substantial share of Delhi is because of the fact that the Delhi Right to Information Act was enacted in the year 2001 and is in operation since then. It is also a major element of Delhi's Bhagidari scheme promoting citizens' participation in governance. Delhi has a Public Grievance Commission established under the State RTI Act, which consists of a Chairman and three other Members including two part-time Members.

5. After the Central Act has come into force, the relevance of the State Law as well as the workload of the Public Grievance Commission has considerably reduced. In fact, there is some avoidable duplication of work. It also creates unnecessary confusion in the minds of citizens. Some of the public authorities also find it difficult to deal with two Commissions dealing with the similar subject

matter but under different legislations and with a different set of procedural requirements.

6. It is therefore suggested that it could be in the public interest, and a better integrated implementation of the RTI Act in Delhi, if the Chairman of the Delhi Public Grievance Commission functioning under the Delhi Right to Information Act is appointed as a Central Information Commissioner to deal with appeals and complaints under the central Right to Information Act, 2005. This will enable the citizens of Delhi to seek access to information on all matters concerning the Delhi Administration at one place. The location of the Public Grievance Commission will be another facilitating factor, in that information can be accessed and grievance redress obtained under the same roof. This matter was discussed with Lt Governor Joshi who was of the view that this will also facilitate the public authorities of the State of Delhi.

7. In the alternative, the Central Government may kindly consider appointing one more Central Information Commissioner to help expedite disposal at the level of the Commission to who we may then assign disposal of matters relating to GNCT, Delhi.

New Delhi - 110066.

Sub: Appointment of Chairman, PGC as Information Commissioner
for Delhi.

Respected Sir,

Kindly recall your discussions with the Hon'ble Lt. Governor, Delhi regarding recommendation for appointment of Chairman, Public Grievances Commission, Delhi as Information Commissioner under Right to Information Act, 2005 for dealing exclusively with second appeals related to Delhi.

The proposal has been examined and it has been observed that the Chairman, PGC is holding an office of profit and as such not eligible for appointment as Information Commissioner under Section 12(6) of Right to Information Act, 2005. Moreover there are some other administrative and legal issues which do not qualify him for being appointed as Information Commissioner.

In view of the above, you may like to take up the matter for appointing more Central Information Commissioners with the Government of India. This issues with the approval of Hon'ble Lt. Governor, Delhi

Subject:- Terms and conditions of appointment of the Chairperson and Members of the Regulatory Authorities Extension to Statutory Bodies/Tribunals- Policy regarding -

The undersigned is directed to refer to this Department's Office Memorandum No. 3/6/98-Estt. (Pay II) dated the 29th Jan., 1998 read with OM dated 13.2.1998 on the above subject and to say that the above instructions provide inter alia that the Chairperson and Member (s) shall be deemed to have retired from Government Service upon taking up their respective appointment in the Regulatory Authority. The question whether the Central Govt./State Govt. These Bodies are mostly autonomous in nature in respect of the fields of their functioning and the orders issued by the Department of Pension and Pensioners' Welfare regarding immediate absorption/deputation apply in such cases. After careful consideration of the matter it has been decided that the Chairperson and Member(s) who, on the date of his appointment to the Statutory Body/Tribunal was in the service of the Central/State Govt. shall be deemed to have retired from such service w.e.f. the date of his respective appointment as such Chairman/Member. It is, however, clarified that this provision will not apply to those cases where the Constitutional provisions or the provision in the statute under which the body is established, is contrary to the above.

Subject: Help
Dear Dr. Sarkar,

I had sent you my acceptance for the position of Central Information Commissioner saying i would like to take 1 rupee as salary. For reasons outlined in the letter below which i have sent to many friends, i have decided to take the normal salary. Do i need to do anything?

2nd October, 2008.

Dear Friends,

I am happy to inform all of you that i have started working as a Central Information Commissioner from 18th September. I was sworn in at 4.00pm on that day and started work in my office at 5.00pm. In the Central Commission certain departments are allocated to each Commissioner and presently the departments allocated to me are all relating to Delhi: Secretariat, Directorate of Education GNCT, Directorate of Health and Family Welfare-GNCTD, District Sessions Judge, DSSSB, Land and Building Department-GNCTD, MCD-GNCTD, and Secretariat of Legislative Assembly. The appeals and complaints pending disposal in these are about 1250 and I have started listing hearings of cases.

I have a staff of two people provided to me and am depending more on the help of volunteers;- which is not really sustainable. Cases have been listed for hearing from 6th October, and i am reiterating my commitment to ensure that there will be no pendency of cases with me of over 3 months by end of March 2009.

There is an admission of a mistake i wish to make. When the names were being proposed from Civil society for the position of Central Information Commissioner, it was suggested that we should offer to do this job without a salary, house, car etc. I had raised the issue about how i could survive, and it was suggested that some individuals or organisations would take care of these. Without much thought i agreed to this. When i was actually selected, i began to think a little carefully about how i would stay in Delhi. I felt that taking help from individuals, organisations or Corporates would not be right. I then started thinking, i would try and stay frugally like Aruna Roy, Nikhil Dey, Jean Dreze, Medha Patkar and other activists whose spartan lifestyle i admire.

I went to Delhi and am presently staying in a Hostel. The actual reality of trying to practise my romanticised frugal living is now staring at me. I went out for dinner with a friend and when i saw the bill of about 700 rupees, i cringed internally. Living alone in a hostel, without my wife Bharti is becoming difficult emotionally. I had planned to give up the car and start using rickshaws and Public transport. However, i am not able to bring myself to do this. I realised i could do my work much better if i paid the volunteers who are working with me in the office;- and i cannot do it. I am beginning to worry that trying to continue to live without salary, house etc. will affect my performance, and could result in failing for all the wrong reasons. Various friends have also advised me to accept the salary, house etc..

I realised that it is my ego which is preventing me from admitting my mistake. I am therefore apologising for the mistake i had made in stating that i would work without salary, house etc., and now plan to take these. I have discussed the matter with Bharti and decided that the salary would be used entirely to facilitate my work and for other RTI related work. I am aware that there will be criticism of my step, but feel it is more honest to admit a mistake.

Some friends will be disappointed by this turnaround. But i need to admit this mistake, and correct it. I shall fulfill the role of Information Commissioner diligently. I once again apologise to friends who might feel a betrayal.

Sub: Appointment of Information Commissioners in CIC

I am directed to say that Shri. Shailesh Gandhi, Information Commissioner, has requested that he may be paid full salary of an Information Commissioner thus revising his earlier request of Rs. 1 as salary. This Department has no objection to the same.

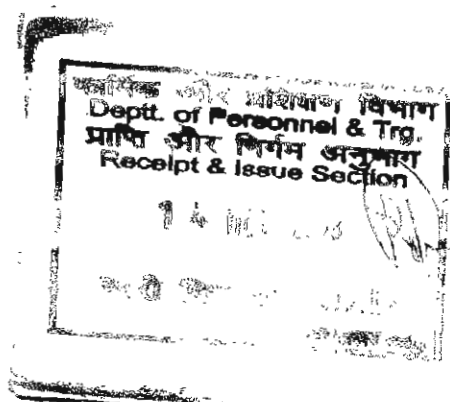

Further Mr. Gandhi in his e-mail to JS (AT&A) has written that he has engaged volunteers to help him in his work. As you are aware the Central Information Commission is a statutory body and the Information Commissioners are Public Servants. Number sensitive information files are being received by the Commission. It is requested that the information be made available to the Commission. This may be brought to the notice of Shri Shailesh Gandhi, if necessary.

INFORMATION COMMISSION

NEW DELHI - 110 011

11/11/2003

CCN dated 20.03.03

Dr. Manmohan Singh,
The Prime Minister,
South Block,
New Delhi 110 011.

Dear Mr. Prime Minister,

I am writing this letter to you to get your personal attention to an important matter affecting the performance of the Right to Information Act. A significant stumbling block in the implementation of this great Citizen-empowerment Act has been the problem of mounting pendencies at the Information Commission. One of the main jobs of the Commission is to adjudicate on matters in second appeals and complaints by Citizens. A total of 231/4 second appeals and complaints reached the Central Information Commission in the last three years, and there is a pendency of 8962 cases. At the Centre and in various States, Citizens are waiting for 8 months to get a decision on their appeals and complaints. The pendencies are slowly mounting. At this rate a Citizen will have to wait for years before the matter is adjudicated, as the wait gets longer. When this happens, the law will have failed the common Citizen, for whom it was made. This would be a monumental and avoidable failure of this great Act.

I thank you and the selection Committee for giving me the opportunity to serve the Nation as a Central Information Commissioner. Since coming here, I have been able to see the real reason for the mounting pendency. In September of this year, the Government decided to increase the strength of the Central Information Commissioners to nine. There was no provision for staff, space or infrastructure for the four new Commissioners. The Secretariat at the Commission stated that they had no knowledge about these appointments, and it is apparent nobody knew why these Commissioners were appointed. After two months I have realized that even the Commissioners who were appointed three years back do not think they have adequate staff to be able to deliver what they are capable of. After two months of being in office, I still lack adequate office space, staff and computers. My present performance is at a level of about 50% of what I can deliver. It is possible for a Commissioner to dispose over 4000 cases per year, provided adequate staff and infrastructure is provided. The present disposal average is much less than 2000 per Commissioner per year. Out of the nine Commissioners presently in the Central Information Commission, two are retiring and it is certainly possible for the seven Commissioners to dispose over 21000 cases in a year, which would be quite adequate. This can happen if adequate staff and infrastructure is provided for the Commission as to # 1/1.

The Government might like to consider the views expressed by the present and some Commissioners. Before launching into the process of identifying new

Commissioners I would urge you to ensure that the existing Commissioners get adequate and appropriate staff and infrastructure to deliver on their mandate. One Central Information Commissioner costs the nation over Rs. 25 lakh annually. Providing additional staff to the existing Commissioner will not cost more than Rs. 10 lakh per annum but can increase their output to more than double. The sheer economics is strongly in favour of providing more qualified staff to the existing Commissioners. Appointing new Commissioners would be like sending Generals to do battle without soldiers. Appointing additional Information Commissioners will be a futile exercise increasing expenses without any benefit. I urge you to take the more economical course of action to make the working of the Central Information Commission more effective and credible in people's eyes, by providing the necessary staff and infrastructure. The overall delivery and the work norms of the Information Commission have a very significant impact on the ability of the Right to Information Act's ability to deliver to the Common Citizen.

To summarise:

1. There is a grave threat to the healthy continuance of the Right to Information Act caused by the increasing delays at the Information Commissions. The 30 day information provision becomes stretched to over 400 days if the matter comes before the Commissions.
2. The present strength of the Central Information Commissioners is more than adequate to provide justice within 90 days. This is not happening because of lack of a small required input of staff and infrastructure.
3. Adding Information Commissioners will be a cost burden without any gain for the Right to Information.

Requesting you to please address this serious issue.

Yours truly,

shailesh gandhi
Central Information Commissioner

Smt. Sushma Singh, Secretary (I&B) is an outstanding officer, and an exceptionally committed civil servant. She has vast experience to her credit and in my considered judgement has the requisite credentials and capability and is eminently suited for the position of Information Commissioner in the Central Information Commission.

She is superannuating in May this year and I believe that the selection of Information Commissioner is to be made by the President on recommendation of a Committee headed by the Prime Minister. I strongly endorse her name for kind consideration.

No.F.52-CA(I)/2009

3 September, 2009

Dear Sir,

This has reference to the proposal submitted by Department of Personnel & Training relating to the acceptance of resignation of Smt. Omita Paul as Information Commissioner with effect from 26 June 2009.

In this regard, it is informed that the Joint Secretary, Central Information Commission had forwarded the resignation letter of Smt. Omita Paul, who has in her letter addressed to the President tendered her resignation with immediate effect under section 13(4) of the RTI Act. This Secretariat had forwarded the resignation letter to the Department of Personnel & Training.

It is also informed that sub-section (4) Section 13 of the RTI Act provides that an Information Commissioner may, at any time, by writing under his/her hand addressed to the President, resign from his/her office. The RTI Act does not provide that the resignation has to be formally accepted by the President. The resignation takes effect automatically from the date intended. The concerned Information Commissioner intending to resign need to only submit the letter of resignation to the President as stipulated under Section 13(4) of RTI Act. The administrative Department is required only to notify the resignation. It is pertinent to mention here that the same procedure is followed in case of resignation of judges of High Courts and the provisions related to resignation of both these constitutional functionaries are identical.

In view of the above, the Department of Personnel & Training is requested to clarify the position regarding acceptance of resignation of Smt. Omita Paul, as Information Commissioner before taking up the matter for consideration of the President. The proposal submitted by the Department alongwith file is returned herewith.

With regards,

Yours sincerely,

3 September, 2009

Dear Sir,

This has reference to the proposal submitted by Department of Personnel & Training relating to the acceptance of resignation of Smt. Omita Paul as Information Commissioner with effect from 26 June 2009.

In this regard, it is informed that the Joint Secretary, Central Information Commission had forwarded the resignation letter of Smt. Omita Paul, who has in her letter addressed to the President tendered her resignation with immediate effect under section 13(4) of the RTI Act. This Secretariat had forwarded the resignation letter to the Department of Personnel & Training.

It is also informed that sub-section (4) Section 13 of the RTI Act provides that an Information Commissioner may, at any time, by writing under his/her hand addressed to the President, resign from his/her office. The RTI Act does not provide that the resignation has to be formally accepted by the President. The resignation takes effect automatically from the date intended. The concerned Information Commissioner intending to resign need to only submit the letter of resignation to the President as stipulated under Section 13(4) of RTI Act. The administrative Department is required only to notify the resignation. It is pertinent to mention here that the same procedure is followed in case of resignation of judges of High Courts and the provisions related to resignation of both these constitutional functionaries are identical.

In view of the above, the Department of Personnel & Training is requested to clarify the position regarding acceptance of resignation of Smt. Omita Paul, as Information Commissioner before taking up the matter for consideration of the President. The proposal submitted by the Department alongwith file is returned herewith.

With regards,

Yours sincerely,

Experience in handling service related matters

As Joint Secretary, Personnel & Administrative Reforms, Government of Bihar, Patna, handled service matters relating to the Indian Administrative Service and the Bihar Administrative Services including promotions, transfers and vigilance matters - **From 8th January 1981 to 18th February 1982.**

As Divisional Commissioner, Santhal Parganas Division, Dumka, Government of Bihar, I heard service appeals arising out of petitions filed by employees against their suspension, discharge, dismissal; promotion and seniority matters and other appeals relating to service matters - **From 20th December 1991 to 19th September 1993.**

As Secretary in various Departments in the Government of Bihar and in the Government of Jharkhand, and later as Secretary, Government of India in different Ministries, I dealt with service matters of different cadres. These related to appointment through direct recruitment / promotions / deputations and postings, transfers, etc. In these posts, my duty also involved in the examination and processing of disciplinary cases. Examination and processing of disciplinary cases is quasi-judicial in nature. Detailed examination and processing of disciplinary cases including appeals in respect of officials of the Departments / Ministries and of various organizations within the Departments / Ministries was carried out.

The Department of Primary, Secondary and Adult Education, Government of Bihar, where I was Secretary from 29th April 1999 to 14th January 2000, was the largest employer of permanent Government employees as also those appointed on project basis or contract basis with total numbering more than one lakh. A number of writ petition used to be filed by the employees for various establishment matters such as promotions, salary payment, post retirement benefits, absorption in service, etc. The Hon'ble High Court of Patna in a large number of cases ordered that the petitioners should file a representation before

the Secretary (Ministry of Education, Government of Bihar, Patna) and the Secretary should discuss the cases and decide on the merits of the cases within the time frame specified by the Hon'ble High Court of Patna. As Secretary (Primary, Secondary and Adult Education Department), I had kept one working day, every week, for these quasi-judicial hearing and most of these cases were discussed.

As Secretary, Government of India, I was the Vigilance / Disciplinary / Appellate Authority in respect of various Group 'B', 'C' and 'D' Services / Cadre Posts, while vigilance matters of Group 'A' officers are processed under my supervision for seeking orders of the Minister. The exercise of powers as Disciplinary / Appellate / Reviewing Authority is quasi-judicial in nature.

IV. Quasi-Judicial work as Agriculture Production Commissioner, Government of Bihar from 10th January 2000 to 14th November 2000 (Until bifurcation of the State)

As the Agriculture Production Commissioner-cum-Secretary, Agriculture of erstwhile Bihar, I was hearing appeals under the following three Control Orders:

- (i) Fertilizer Control Order 1985.
- (ii) Seeds Control Order 1983.
- (iii) Pesticides Order under Insecticides Act 1968.

These appeals were filed by parties aggrieved from the orders of the Director of Agriculture and as APC-cum-Secretary, Agriculture; I disposed the appeals by reasoned orders.

V Quasi-Judicial Functions as Home Secretary, Government of Jharkhand, from 15th November 2000 to 3rd February 2003

As Home Secretary of Jharkhand, I had the responsibility of examining the cases registered under Prevention of Terrorist Act (PoTA) before the detention orders were confirmed by the State Government. These matters were not handled routinely; in a large number of cases I found that the police were placing poor people under preventive detention without sufficient justification. Some of them could have been petty criminals to be tried under the provisions of IPC and CrPC. The detention orders in a large number of such cases were eventually not accepted by the State Government.

Quasi-judicial work as Secretary to Government, in the States of Bihar and Jharkhand, and as Secretary to Government of India

Examination and processing of disciplinary cases is quasi-judicial in nature. As Secretary, Government of Bihar in the Department of Welfare; Department of Primary, Secondary and Adult Education; as Home Secretary, Govt. of Jharkhand and later as Secretary to Government of India in the Ministries of DONER, Ministry of Panchayati Raj, and presently Ministry of Information & Broadcasting, detailed examination and processing of disciplinary cases in respect of senior officials were carried out.

Disciplinary proceedings against employees conducted under the provisions of CCS (CCA) Rules 1965 or under any other corresponding rules are quasi-judicial in nature. I have been Secretary to Government of India **since beginning of August 2006 to date**. In this capacity, I am the Vigilance / Disciplinary/Appellate Authority in respect of various Group 'B', 'C' and 'D' services and exercise quasi-judicial powers as such.
